Dear SponsorLink Sponsor,

We are continuing our SponsorLink updates by featuring our “Little Lambs of the Lord” kids. Through your support, we have watched them grow up and have helped them with spiritual, material, and parental needs. Mamut Asan is one of the boys (now a young man) that FGCI has served.

Mamut was born on June 17, 2002. The top picture of Mamut was taken back in 2008 when he was living at a government center. The bottom picture was taken in December 2019 during our Christmas trip. Maleesha Mustion, our SponsorLink Ministry Assistant, asked Mamut the following questions.

What grade are you in?

Mamut: The 11th grade.

What are your favorite hobbies?

Mamut: In my free time I like to relax with my friends and to drink a pop with them or walk in the park. Another thing I like to do is to spend time with God.

What is your favorite color?

Mamut: Cream, dark green, black, white, red.

What is your favorite Bible verse?

Mamut: “And without faith it is impossible to please God, because anyone who comes to him must believe that he exists and that he rewards those who earnestly seek him.” — Hebrews 11:6...t🙏😊

Would you like to tell your sponsors anything?

Mamut: I don't know how to thank you for the all good things you are doing for us. God bless you for everything you are doing. And I'm glad from the bottom of my heart that there are people who think of me.

Maleesha writes: “I spoke to Mamut this morning, and he is doing very well. He video-called me to show me that he is learning more and more on the guitar and that he hopes to be able to play the guitar for the Bible camps in the summer. He is currently in the process of learning the song, “I Can Only Imagine,” in Romanian and English. Mamut is in the 11th grade, and is continuing to study very hard to get good grades. He has adjusted to doing school online and will be finishing the semester out online due to the Covid-19 shutdown. He desires to attend college after high school and be in the field of public relations, because, he says, “I like very much to socialize with people.” Mamut is very dedicated to studying God's Word daily. He has been studying through the life of Daniel, Matthew and James. He has also completed a few Bible studies: “The Freedom to Surrender to Jesus,” and “Holy Emotions.” Mamut just finished a Bible study this week on the life of a Christian and what it means to live a life in accordance to God's will. Mamut said, “I am glad that I started reading the Bible. I am glad that I am closer to God. And that makes me stronger in life.”

Thank you for being there for Mamut and our SponsorLink kids.
