Dear Sponsor,

Renata was born on May 5, 2004. The picture below was taken at our summer Bible camp (for Roma/Gypsy kids) in Moldova last year. Maleesha Mustion, our SponsorLink Ministry Assistant, asked Renata the following questions.

What grade are you in?

Renata: 10th grade.

What are your favorite hobbies?

Renata: I like to paint.

What is your favorite color?

Renata: Black or white.

What is your favorite Bible verse?

Renata: "For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life" (John 3:16).

Maleesha writes: I spoke with Renata recently, and she is doing very well. Renata celebrated her birthday last month on May 5, and turned 16. She is such a wonderful, dedicated young lady, because she enjoys attending church weekly, and hanging out with her friends from her village. Renata's favorite Bible verse is, "For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life" (John 3:16). She is in the 10th grade and works very hard to achieve her goals for the future. Maleesha asked Renata what she hopes to do after high school, and her response was, "I have often thought about becoming a lawyer, because I like this profession. My parents have encouraged me to pursue this career. I hope to attend the law university in Chisinau after high school." Renata is currently learning English with help provided by For God's Children International's SponsorLink program sponsors. Her English teacher Alex writes, "Renata knows a little more English than the other students, because she has previously studied English in school. With each English lesson, she improves more and more." Renata writes, "In my free time, I enjoy cooking for my family, and I enjoy painting different pictures of nature and other things I find interesting.

During the summer, we do not really go anywhere or do much, because we stay home. My sisters and I usually wake up in the morning and do the cleaning. Then, in the evening, we go for a walk. The boys do the same things too." Renata also writes, "Thank you very much to the sponsors for helping me become what I always wanted to be."

Thank you for your support!
