Dear SponsorLink Sponsor,

Marius was born on May 11, 2001. The top picture of Marius was taken back in 2008 when he was living in a government center. The bottom picture was taken last summer during our summer Bible camps at our ministry home in Babadag, Romania. Maleesha Mustion, our SponsorLink Ministry Assistant, asked Marius the following questions.

What grade are you in?

Marius: I am in the 9th grade.

What are your favorite hobbies?

Marius: I like to take walks.

What is your favorite color?

Marius: Green.

What is your favorite Bible verse?

Marius: "And this is his command: to believe in the name of his Son, Jesus Christ, and to love one another as he commanded us." — 1 John 3:23

Would you like to tell your sponsors anything?

Marius: Thank you for your help.

Maleesha writes: "Marius celebrated his birthday on May 11. He is 19 years old. He enjoys spending time with friends, taking walks with his girlfriend, and playing football.

For God's Children International has had the privilege to watch Marius grow up from a little boy (of 2 years) into a young man. FGCI has ministered to him throughout these years by caring for him in the Little Lambs of the Lord family center, by visiting him in other government centers, by taking him on backpacking trip weekends in the mountains with Eli Davidson, and at the annual summer Bible camps held in Babadag. FGCI has watched Marius' relationship with the Lord go from nothing and grow into something that can now transform his life for good. Marius enjoys spending time with the Lord, and reading his Bible. One of his favorite Bible verses is, "And this is his command: to believe in the name of his Son, Jesus Christ, and to love one another as he commanded us" 1 John 3:23. Marius is in the 9th grade. I asked him, "What are your plans after high school?" He said, "I want to be a chef, because I enjoy cooking so much." I asked Marius to write a personal update about his life right now so that you can hear from him directly. Marius wrote, "Thank you everyone who has helped me. My life is changing more and more as I grow up, there are wonderful things that happen to me and some bad things that I do not want to happen. Otherwise, I am doing fine, because school is going great. I am doing very well in my classes. As I read the Bible more and more, it is totally changing my life. I miss you all so much, and look forward to the summer."

Please pray for Marius, he is doing great and growing in his faith. Thank you!
